Read Colossians 1:15-20

10 :: Meditate How do you see Jesus in this passage? To see him as just a teacher or a good man comes up way short. List the qualities and character of God that are mentioned in this passage.

10 :: Pray Make this your prayer this week:

Since Christ created all things,
we owe our allegiance and our worship to Him.

Since Christ created all things,
He understands us and the needs we have better than we do.

Since Christ created all things,
nothing can hurt us if we rest in Him. No power in the world is superior to His.

Since Christ is the end of all things,
only the person who is following Him is heading in the right direction.

10 :: Live The passage ends with these words, "and through him to reconcile to himself ALL things" Jesus is Supreme. There is no one above Him, no one more important. He is to have first place in our:

- * thinking
- * our worship
- * our work
- * our families
- * our leisure activities
- * our time with our friends
- * our use of our money
- * our use of our time
- * our relationships with others
- * our ambitions
- * our dreams
