### Read Colossians 2:6-10

**10 :: Meditate** (v.6) What does it mean to "receive Christ?" Some have been taught that it means a transfer of information from Jesus to us. The apostle Paul wants us to consider the fact that Jesus is "God's image," "God's wisdom," and "God's mystery." Meditate on this verse and discover what it means to receive Christ as Lord of your life. Now, contemplate "walk in him." How does this change the way you love, forgive, and serve?

**10 :: Pray** Ask Jesus to show you where he is NOT Lord in your life. Is he the Lord of your money? Relationships? Career? Confess and make the needed changes.

**10 :: Live** (v.9-10) What does your life look like with Jesus as the ultimate authority? How does this change your understanding of freedom?
